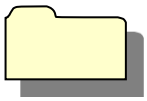
Devonshire Green & Hanover Medical Centres

Register for Online Services - APPOINTMENTS, TEXT REMINDERS, REPEAT PRESCRIPTIONS and VIEWING YOUR MEDICAL RECORD

Patients registered with this practice are now able to have 24 hour secure access via the internet to make **appointments** and to order their **repeat prescriptions**. This will save you telephoning or calling at the surgery for these.

We are able to offer **appointment reminders by text** on your mobile phone.



You will also be able to view aspects of your **medical records** securely. This includes information about your medications, allergies and links to patient leaflets to help you understand more about your conditions or medications.

If you wish to use these services, please complete the details below and bring the completed form **with photograph identification** (eg passport, driving licence). Within a few days, the surgery will then send details to you of how to sign up online for these services.

You will, of course, need a computer with internet access or a Smartphone (download the free Patient Access app at **patient.co.uk/accessapp**)

Forename(s): _____ Surname: _____

Date of Birth: _____

Address: _____

_____Post Code: _____

Email Address: _____
